of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla. Since then Mr. LELAND has recommended AVER'S SARSAPARILLA in many similar

cases, and he has never yet heard of its failure to effect a radical cure. Some years ago one of Mr. LELAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Hor rible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direction, was supplied with AYER'S SARSAPA-RILLA, which allayed the pain and irritation. healed the sores, removed the swelling, and completely restored the limb to use. Mr. LELAND has personally used

Aver's Sarsaparilla for Rheumatism, with entire success; and, after careful observation, declares that, in

his belief, there is no medicine in the world

equal to it for the cure of Liver Disorders,

Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases. We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AVER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.
